

### Product Description

- Patented electric flame technology.
- Realistic flame effect, LED inner glow logs and ember bed.
- Refractory brick-look interior (DF2608 only).
- Clean, self-trimming design – no separate trim required.
- 120 volt plug-in firebox with thermostat controlled fan-forced heater.
- Operates with flame only or flame and heat.
- Safe, clean electric operation.
- Adjustable interior light and flame speed control.
- Includes on/off remote control.
- Dimensions 27 3/8" W x 23 1/2" H x 8 13/16" D

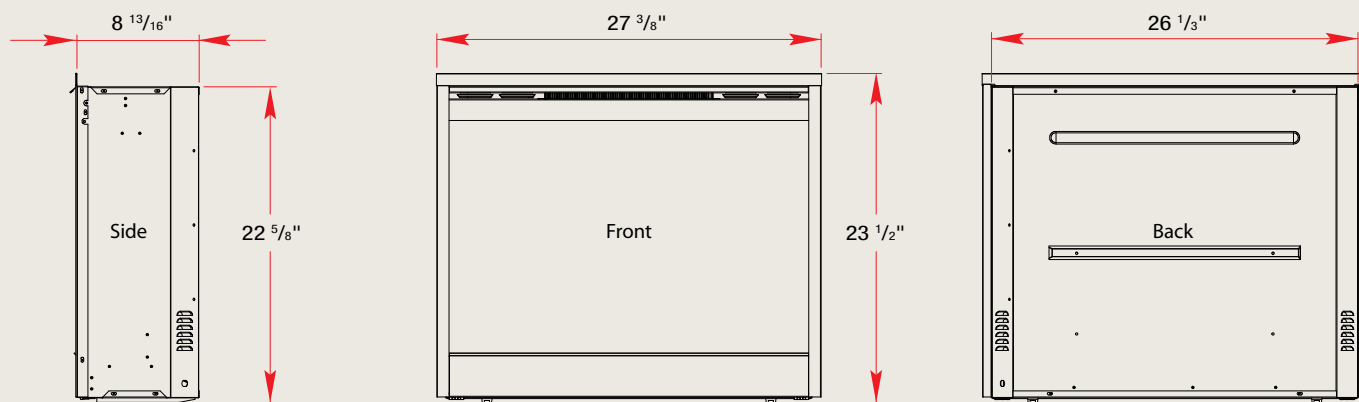

Top: 26" plug-in self-trimming firebox (NBD2608).  
Inset: Model with refractory brick-look interior (DF2608).

### Specifications

Model	Description	Volts	Watts	BTU	Total Amps	Weight (lb/kg)
NBD2608	Plug-in firebox, includes built-in thermostat, flame on/off control and separate switches for flame speed, light control and heater, on/off remote control.	120	1500	5200	12.5	55 / 25
DF2608	As above, but includes refractory brick-look interior	120	1500	5200	12.5	55 / 25
